

# THE MIAMI GUILD OF THE

# CATHOLIC MEDICAL ASSOCIATION

Cordially Invites Medical Students, Physicians, and their Families...

- † **What:** The Miami Guild of the Catholic Medical Association and Mercy Hospital invite all medical students and physicians to our **3<sup>rd</sup> annual Hippocratic Oath Celebration**. The event will begin with Mass during which those present will profess the oath and commit themselves to the healthcare values upheld by the Catholic Church. A reception will follow. Medical students, physicians, and their families/friends are welcome to attend.
- † **When:** Sunday, **April 30<sup>th</sup>** at **4:00pm**
- † **Where: Mercy Hospital Chapel:** 3663 South Miami Avenue, Miami, FL 33133  
○ Second Floor – North Wing
- † **Why:** Traditionally, medical students have taken and upheld the Hippocratic Oath that outlines specific ethical standards of medicine. Many medical schools no longer require students to profess this oath, and some utilize a modified oath that omits many values we uphold as Catholic physicians. At this celebration, students and physicians **will profess the attached Catholic Hippocratic Oath**.
