***Sidewalk Advocates for Life* is an international sidewalk counseling organization that – through their life-saving training program – teaches men and women like you and me how to peacefully and effectively offer loving, life-affirming alternatives to those entering the local abortion facility.**

We just established a program here in our local community, and our mission is to help mothers-in-crisis so much that we eliminate demand and ultimately, end abortion right here in South Florida.

We are ministering at one Fort Lauderdale abortion site full time and seeing an average of one “turn-away” per day. But we’re addressing only a fraction of the problem. Help us serve the rest of the abortion-minded in our community.

Our next training will take place August 26, 2017 from 9:00 a.m. to 3:00 pm at St Louis Catholic Church, 7270 S.W. 120th Street, Pinecrest, FL 33156. It’s free but please RSVP to reserve your seat via Eventbrite <https://www.eventbrite.com/e/sidewalk-advocates-for-life-training-tickets-36953994392> or by email to prolifeinsfla@yahoo.com
